Looking for a special get-a-way?

Join us at Gobblers Ridge Lodge for a secluded and very private stay in the Mountain Lakes Region of the Appalachian Mountains! Enjoy all the amenities of a custom crafted log home that is built on the side of a mountain overlooking three hollers. The B&B includes your own private suite with a full kitchen, bath, family/living room and bedroom. Right outside your bedroom door is a private hot tub waiting for your relaxation pleasure! Several secluded hiking trails are also waiting for you to view the abundant benefits of nature including deer, fox, owls, turkeys and other wildlife. Flowering trees such as dogwood and redbud come alive in the spring as well as the flower and herb gardens, all of which are right outside your door!

The bed and breakfast has over 2500 sq. ft. of porches, decks and patios with many swings, benches, and chairs for your use. Inside, it features hand-woven rugs, handmade quilts, original wildlife art, herbal soaps, hand-thrown pottery, and other items such as antiques and period decorations. Some say it is like a step back in time to a simpler era. We invite you to join us and experience genuine Appalachian hospitality, cooking and mountain living at its finest!
